# Rajshahi University of Engineering and Technology

## Department of Electrical & Electronic Engineering

**Course no.**                      EEE3200  
**Course title:**                Electrical & Electronic Circuit Simulation Sessional  
**Experiment no.**                05  
**Experiment name:**        DC-DC boost converter using pi controller and Single-phase H bridge DC-AC inverter using Simulink  
**Date of experiment:**        November 16,2022  
**Date of submission:**       November 30,2022
