## Rajshahi University of Engineering and Technology

## **Department of Electrical & Electronic Engineering**

Course no. EEE3200

Course title: Electrical & Electronic Circuit Simulation Sessional

Experiment no. 04

Experiment name: AC voltage controller circuit and DC-DC converter circuit using Simulink

Date of experiment: November 9,2022

<u>Date of submission:</u> November 16,2022

Submitted to:	Submitted by:
Md. Razon Chowdhury	Ashraf Al- Khalique
Assistant Professor	Roll: 1801171
Dept. of Electrical & Electronic Engineering,	Session: 2018-2019
Rajshahi University of Engineering and	Dept. of Electrical & Electronic Engineering,
Technology.	Rajshahi University of Engineering and
	Technology.
